

# RETURNING TO THE SOURCE

## Learn To Dialogue With Everything

Plants, animals, all communicate with one another; it's just us humans who forgot how!  
When we return to the level called the source, we communicate freely with all that exists.

From *Returning To The Source*, students and teachers have dialogued with... **Rivers, Trees, Birds, Mountains, Gardens, Herbs, Stars, Any Person Who Has Lived, and Earth.**

"The sun shines not on us but in us. The rivers flow not past, but through us, thrilling, tingling, vibrating every fiber & cell of the substance of our bodies, making them glide and sing." John Muir
